Xa Sl No 1 of the table put up

My Bro No 162-172½ x Ed 11 d 4 July 1896, lays down that "The village School Funds should not be utilized for English Education unless there should ordinarily be forthcoming a contribution from the public of not less than one half of the cost either in the shape of fees or special subsidies."

In accordance with the above policy, grants in aid have been sanctioned in a few cases (usually half the cost) for English Instruction in villages

The question of granting similar grants in aid to Sanskrit Schools opened in villages was for

first raised by the D I G in January 1900 and Govt observed that "no General rule" seemed necessary for the present, each application for grant in aid for Sanskrit Instruction being "dealt with on its own merits"

In pursuance of this principle, only one case was ~~forwarded~~ considered by Govt ie the Sanskrit School at ~~Cuttack~~ Aghalaya for which a sum of Rs 15 per mensem was sanctioned

The present recommendation is similar and is the second one
